## 01 DRY HIRE

Dry bar hire refers to the rental of a mobile bar setup without the inclusion of alcoholic beverages. A dry bar provides the physical structure and equipment for serving beverages, but it is up to you, the event organizer(s) or attendees to supply their choice of non-alcoholic and alcoholic drinks.

## 02 OPEN BAR

Hiring an open bar ensures your guests enjoy unlimited drinks, creating a lively and memorable atmosphere. We work with you to select a tailored drinks package, and our professional bartenders deliver exceptional service, offering a customised range of beverages perfectly suited to your wedding and your guests.

## 03 CASH BAR

A cash bar is a convenient option for events where guests pay for their own drinks. We provide the full bar setup, bartenders, and a wide selection of beverages, ensuring professional service. This option allows you to offer drinks without the cost of an open bar, keeping your budget flexible.
